On Saturday, October 7, Charlie James Gallery will host a discussion and walkthrough with artist Rebecca Chamberlain of her show *HOMATORIUM III Lost Horizon*, and the artists and curator of the group exhibition, *On Going Home*. Inspired by the dialogue between the two exhibitions, this discussion brings together a group of multicultural artists who will discuss various aspects of 'home', including: the micro/macro relationship of home and its relationship to place, structures of safety, ways of framing identity, and notions of idealism.

The discussion will be followed by a reception from 6-9pm. The shows will remain on view at the gallery through October 14.

On Going Home is part of the Participating Gallery Program of *Pacific Standard Time: LA/LA 2017*.
