La Mercy in Palm Springs
Oil paint, metal leaf,
spray paint, decals on
wood panel
60 x 48 inches
2022

About the subject:

Mercy Rivera @silkylolita is a model and creative working in the L.A. area. I took this reference photo at a group exhibition organized by her bestie Gabrela Ruiz, at the Palm Springs Art Museum this past August. Mercy is a style tastemaker and fashion chameleon, constructing different looks for the events she attends.

SHIZU SALDAMANDO
FELIX ART FAIR

About the subject:

Portrait of Guadalupe Rosales, founder of the social media handle 'Veteranas y Rucas', who explores notions of the archive and rave culture within distinctly Latinx nightlife during the mid 1990s in East L.A.

I took the reference photo for this painting at our mutual friend and fellow artist, Gabriela Ruiz' solo exhibition which opened at the experimental gallery space La Pau gallery in Korea town last year.
