CHARLIE JAMES GALLERY FRIEZE LOS ANGELES

CJG is delighted to present a selection of new and signature works from five gallery artists from our Frieze Los Angeles Viewing Room. Luke Butler will present a new work from his "In Color" painting series. Nancy Buchanan has a very ambitious new sculptural piece combining custom cut marble and a found antique television set. Narsiso Martinez has made three new works for the fair - two works on cardboard and one delicate work on canvas. We will show Erika Rothenberg's iconic church signboard piece "America, A Shining Beacon to the World," and we will introduce a breathtaking new portrait of fast-rising LA artist Alfonso Gonzalez, Jr. by Shizu Saldamando.
